

## **WOW! Completes Rebuild of its Panama City Network**

*More than 430 miles of network rebuilt in less than 90 days*

**Panama City, FL. – January 4, 2019 –** [WOW! Internet, Cable & Phone](#) (NYSE: WOW), a leading broadband and communications service provider, today announced the rebuild of its network in Panama City is complete, and service has been restored for nearly all its customers.

WOW! rebuilt its network following the devastation of Hurricane Michael in October, 2018. The company's team of dedicated engineers and technicians worked at unprecedented speed, rebuilding more than 430 miles of network in less than 90 days.

"The resiliency and strength of the community, including WOW! families and customers in Panama City, in the face of this disaster has been nothing short of inspiring," said Teresa Elder, CEO at WOW!. "While we're thrilled to announce the total restoration of our network, we know there is still much work to be done. We are thankful for the community's patience and we look forward to continuing to provide best-in-class products and services in 2019 and beyond."

Ongoing construction and debris removal in isolated and specific areas could impact WOW!'s ability to deliver services to individual customers. If customers experience issues, have questions or need more information, they can visit [wowway.com](#) or call 1-855-4-WOW-WAY.
